For the Toilet, the Bath and the Handkerchief.

In view of the attempts made recently by some unscrupulous dealers, to foist upon the public a worthless imitation, bearing the general outward appearance of the genuine, we call attention to the distinguishing marks of the genuine MURRAY & LANMAN FLORIDA WATER.

Each bottle of the genuine article bears on its neck the Trade Mark, which appears alongside this notice; and on each leaf of the pamphlet, which is wrapped around it, appears in faint water mark letters the words
